Dear Friends,

This past April 2023, Lighthouse International Ministries purchased the former St. George's Church at 1910 Falls St., Niagara Falls, NY. We are in the process of fixing things and revamping the church to make more

room for a Pastor's Office and Kidz Club supplies. Because of this purchase, we were able to house a missions team from Tennessee who stayed with us in July and ran Camp Gatawana. Our good friends, Rob and Chris Ellis, came up from Tennessee with their team of 23 people and lived in the church while ministering to children ages 5 to 15 years old! What a wonderful time the children had. At the end of the week, children received Bibles, and many of them are still asking when this team is returning! Then came Cornerstone Church from Grand Island to run a day camp for children the last week of July! Our summer was SO BUSY with missions teams almost every day. The teams did street outreach, worked with the children, and helped with work projects around the property. Thank you to all the teams for sending people to bless our community and God's people! GOD IS ABLE!

Dear Friends,

This past April 2023, Lighthouse International Ministries purchased the former St. George's Church at 1910 Falls St., Niagara Falls, NY. We are in the process of fixing things and revamping the church to make more

room for a Pastor's Office and Kidz Club supplies. Because of this purchase, we were able to house a missions team from Tennessee who stayed with us in July and ran Camp Gatawana. Our good friends, Rob and Chris Ellis, came up from Tennessee with their team of 23 people and lived in the church while ministering to children ages 5 to 15 years old! What a wonderful time the children had. At the end of the week, children received Bibles, and many of them are still asking when this team is returning! Then came Cornerstone Church from Grand Island to run a day camp for children the last week of July! Our summer was SO BUSY with missions teams almost every day. The teams did street outreach, worked with the children, and helped with work projects around the property. Thank you to all the teams for sending people to bless our community and God's people! GOD IS ABLE!

Dear Friends,

This past April 2023, Lighthouse International Ministries purchased the former St. George's Church at 1910 Falls St., Niagara Falls, NY. We are in the process of fixing things and revamping the church to make more

room for a Pastor's Office and Kidz Club supplies. Because of this purchase, we were able to house a missions team from Tennessee who stayed with us in July and ran Camp Gatawana. Our good friends, Rob and Chris Ellis, came up from Tennessee with their team of 23 people and lived in the church while ministering to children ages 5 to 15 years old! What a wonderful time the children had. At the end of the week, children received Bibles, and many of them are still asking when this team is returning! Then came Cornerstone Church from Grand Island to run a day camp for children the last week of July! Our summer was SO BUSY with missions teams almost every day. The teams did street outreach, worked with the children, and helped with work projects around the property. Thank you to all the teams for sending people to bless our community and God's people! GOD IS ABLE!

Dear Friends,

This past April 2023, Lighthouse International Ministries purchased the former St. George's Church at 1910 Falls St., Niagara Falls, NY. We are in the process of fixing things and revamping the church to make more

room for a Pastor's Office and Kidz Club supplies. Because of this purchase, we were able to house a missions team from Tennessee who stayed with us in July and ran Camp Gatawana. Our good friends, Rob and Chris Ellis, came up from Tennessee with their team of 23 people and lived in the church while ministering to children ages 5 to 15 years old! What a wonderful time the children had. At the end of the week, children received Bibles, and many of them are still asking when this team is returning! Then came Cornerstone Church from Grand Island to run a day camp for children the last week of July! Our summer was SO BUSY with missions teams almost every day. The teams did street outreach, worked with the children, and helped with work projects around the property. Thank you to all the teams for sending people to bless our community and God's people! GOD IS ABLE!

Dear Friends,

This past April 2023, Lighthouse International Ministries purchased the former St. George's Church at 1910 Falls St., Niagara Falls, NY. We are in the process of fixing things and revamping the church to make more

room for a Pastor's Office and Kidz Club supplies. Because of this purchase, we were able to house a missions team from Tennessee who stayed with us in July and ran Camp Gatawana. Our good friends, Rob and Chris Ellis, came up from Tennessee with their team of 23 people and lived in the church while ministering to children ages 5 to 15 years old! What a wonderful time the children had. At the end of the week, children received Bibles, and many of them are still asking when this team is returning! Then came Cornerstone Church from Grand Island to run a day camp for children the last week of July! Our summer was SO BUSY with missions teams almost every day. The teams did street outreach, worked with the children, and helped with work projects around the property. Thank you to all the teams for sending people to bless our community and God's people! GOD IS ABLE!

Our good friends, Rob and Chris Ellis, came up from Tennessee with their team of 23 people and lived in the church while ministering to children ages 5 to 15 years old! What a wonderful time the children had. At the end of the week, children received Bibles, and many of them are still asking when this team is returning! Then came Cornerstone Church from Grand Island to run a day camp for children the last week of July! Our summer was SO BUSY with missions teams almost every day. The teams did street outreach, worked with the children, and helped with work projects around the property. Thank you to all the teams for sending people to bless our community and God's people! Dear Friends,

This past April 2023, Lighthouse International Ministries purchased the former St. George's Church at 1910 Falls St., Niagara Falls, NY. We are in the process of fixing things and revamping the church to make more

room for a Pastor's Office and Kidz Club supplies. Because of this purchase, we were able to house a missions team from Tennessee who stayed with us in July and ran Camp Gatawana. Our good friends, Rob and Chris Ellis, came up from Tennessee with their team of 23 people and lived in the church while ministering to children ages 5 to 15 years old! What a wonderful time the children had. At the end of the week, children received Bibles, and many of them are still asking when this team is returning! Then came Cornerstone Church from Grand Island to run a day camp for children the last week of July! Our summer was SO BUSY with missions teams almost every day. The teams did street outreach, worked with the children, and helped with work projects around the property. Thank you to all the teams for sending people to bless our community and God's people! GOD IS ABLE!

Dear Friends,

This past April 2023, Lighthouse International Ministries purchased the former St. George's Church at 1910 Falls St., Niagara Falls, NY. We are in the process of fixing things and revamping the church to make more

room for a Pastor's Office and Kidz Club supplies. Because of this purchase, we were able to house a missions team from Tennessee who stayed with us in July and ran Camp Gatawana. Our good friends, Rob and Chris Ellis, came up from Tennessee with their team of 23 people and lived in the church while ministering to children ages 5 to 15 years old! What a wonderful time the children had. At the end of the week, children received Bibles, and many of them are still asking when this team is returning! Then came Cornerstone Church from Grand Island to run a day camp for children the last week of July! Our summer was SO BUSY with missions teams almost every day. The teams did street outreach, worked with the children, and helped with work projects around the property. Thank you to all the teams for sending people to bless our community and God's people! GOD IS ABLE!

Dear Friends,

This past April 2023, Lighthouse International Ministries purchased the former St. George's Church at 1910 Falls St., Niagara Falls, NY. We are in the process of fixing things and revamping the church to make more

room for a Pastor's Office and Kidz Club supplies. Because of this purchase, we were able to house a missions team from Tennessee who stayed with us in July and ran Camp Gatawana. Our good friends, Rob and Chris Ellis, came up from Tennessee with their team of 23 people and lived in the church while ministering to children ages 5 to 15 years old! What a wonderful time the children had. At the end of the week, children received Bibles, and many of them are still asking when this team is returning! Then came Cornerstone Church from Grand Island to run a day camp for children the last week of July! Our summer was SO BUSY with missions teams almost every day. The teams did street outreach, worked with the children, and helped with work projects around the property. Thank you to all the teams for sending people to bless our community and God's people! GOD IS ABLE!

Dear Friends,

This past April 2023, Lighthouse International Ministries purchased the former St. George's Church at 1910 Falls St., Niagara Falls, NY. We are in the process of fixing things and revamping the church to make more

room for a Pastor's Office and Kidz Club supplies. Because of this purchase, we were able to house a missions team from Tennessee who stayed with us in July and ran Camp Gatawana. Our good friends, Rob and Chris Ellis, came up from Tennessee with their team of 23 people and lived in the church while ministering to children ages 5 to 15 years old! What a wonderful time the children had. At the end of the week, children received Bibles, and many of them are still asking when this team is returning! Then came Cornerstone Church from Grand Island to run a day camp for children the last week of July! Our summer was SO BUSY with missions teams almost every day. The teams did street outreach, worked with the children, and helped with work projects around the property. Thank you to all the teams for sending people to bless our community and God's people! GOD IS ABLE!

Our good friends, Rob and Chris Ellis, came up from Tennessee with their team of 23 people and lived in the church while ministering to children ages 5 to 15 years old! What a wonderful time the children had. At the end of the week, children received Bibles, and many of them are still asking when this team is returning! Then came Cornerstone Church from Grand Island to run a day camp for children the last week of July! Our summer was SO BUSY with missions teams almost every day. The teams did street outreach, worked with the children, and helped with work projects around the property. Thank you to all the teams for sending people to bless our community and God's people! Dear Friends,

This past April 2023, Lighthouse International Ministries purchased the former St. George's Church at 1910 Falls St., Niagara Falls, NY. We are in the process of fixing things and revamping the church to make more

room for a Pastor's Office and Kidz Club supplies. Because of this purchase, we were able to house a missions team from Tennessee who stayed with us in July and ran Camp Gatawana. Our good friends, Rob and Chris Ellis, came up from Tennessee with their team of 23 people and lived in the church while ministering to children ages 5 to 15 years old! What a wonderful time the children had. At the end of the week, children received Bibles, and many of them are still asking when this team is returning! Then came Cornerstone Church from Grand Island to run a day camp for children the last week of July! Our summer was SO BUSY with missions teams almost every day. The teams did street outreach, worked with the children, and helped with work projects around the property. Thank you to all the teams for sending people to bless our community and God's people! GOD IS ABLE!

Dear Friends,

This past April 2023, Lighthouse International Ministries purchased the former St. George's Church at 1910 Falls St., Niagara Falls, NY. We are in the process of fixing things and revamping the church to make more

room for a Pastor's Office and Kidz Club supplies. Because of this purchase, we were able to house a missions team from Tennessee who stayed with us in July and ran Camp Gatawana. Our good friends, Rob and Chris Ellis, came up from Tennessee with their team of 23 people and lived in the church while ministering to children ages 5 to 15 years old! What a wonderful time the children had. At the end of the week, children received Bibles, and many of them are still asking when this team is returning! Then came Cornerstone Church from Grand Island to run a day camp for children the last week of July! Our summer was SO BUSY with missions teams almost every day. The teams did street outreach, worked with the children, and helped with work projects around the property. Thank you to all the teams for sending people to bless our community and God's people! GOD IS ABLE!

Dear Friends,

This past April 2023, Lighthouse International Ministries purchased the former St. George's Church at 1910 Falls St., Niagara Falls, NY. We are in the process of fixing things and revamping the church to make more

room for a Pastor's Office and Kidz Club supplies. Because of this purchase, we were able to house a missions team from Tennessee who stayed with us in July and ran Camp Gatawana. Our good friends, Rob and Chris Ellis, came up from Tennessee with their team of 23 people and lived in the church while ministering to children ages 5 to 15 years old! What a wonderful time the children had. At the end of the week, children received Bibles, and many of them are still asking when this team is returning! Then came Cornerstone Church from Grand Island to run a day camp for children the last week of July! Our summer was SO BUSY with missions teams almost every day. The teams did street outreach, worked with the children, and helped with work projects around the property. Thank you to all the teams for sending people to bless our community and God's people! GOD IS ABLE!

Dear Friends,

This past April 2023, Lighthouse International Ministries purchased the former St. George's Church at 1910 Falls St., Niagara Falls, NY. We are in the process of fixing things and revamping the church to make more

room for a Pastor's Office and Kidz Club supplies. Because of this purchase, we were able to house a missions team from Tennessee who stayed with us in July and ran Camp Gatawana. Our good friends, Rob and Chris Ellis, came up from Tennessee with their team of 23 people and lived in the church while ministering to children ages 5 to 15 years old! What a wonderful time the children had. At the end of the week, children received Bibles, and many of them are still asking when this team is returning! Then came Cornerstone Church from Grand Island to run a day camp for children the last week of July! Our summer was SO BUSY with missions teams almost every day. The teams did street outreach, worked with the children, and helped with work projects around the property. Thank you to all the teams for sending people to bless our community and God's people! GOD IS ABLE!

Our good friends, Rob and Chris Ellis, came up from Tennessee with their team of 23 people and lived in the church while ministering to children ages 5 to 15 years old! What a wonderful time the children had. At the end of the week, children received Bibles, and many of them are still asking when this team is returning! Then came Cornerstone Church from Grand Island to run a day camp for children the last week of July! Our summer was SO BUSY with missions teams almost every day. The teams did street outreach, worked with the children, and helped with work projects around the property. Thank you to all the teams for sending people to bless our community and God's people! Dear Friends,

This past April 2023, Lighthouse International Ministries purchased the former St. George's Church at 1910 Falls St., Niagara Falls, NY. We are in the process of fixing things and revamping the church to make more

room for a Pastor's Office and Kidz Club supplies. Because of this purchase, we were able to house a missions team from Tennessee who stayed with us in July and ran Camp Gatawana. Our good friends, Rob and Chris Ellis, came up from Tennessee with their team of 23 people and lived in the church while ministering to children ages 5 to 15 years old! What a wonderful time the children had. At the end of the week, children received Bibles, and many of them are still asking when this team is returning! Then came Cornerstone Church from Grand Island to run a day camp for children the last week of July! Our summer was SO BUSY with missions teams almost every day. The teams did street outreach, worked with the children, and helped with work projects around the property. Thank you to all the teams for sending people to bless our community and God's people! GOD IS ABLE!

Dear Friends,

This past April 2023, Lighthouse International Ministries purchased the former St. George's Church at 1910 Falls St., Niagara Falls, NY. We are in the process of fixing things and revamping the church to make more

room for a Pastor's Office and Kidz Club supplies. Because of this purchase, we were able to house a missions team from Tennessee who stayed with us in July and ran Camp Gatawana. Our good friends, Rob and Chris Ellis, came up from Tennessee with their team of 23 people and lived in the church while ministering to children ages 5 to 15 years old! What a wonderful time the children had. At the end of the week, children received Bibles, and many of them are still asking when this team is returning! Then came Cornerstone Church from Grand Island to run a day camp for children the last week of July! Our summer was SO BUSY with missions teams almost every day. The teams did street outreach, worked with the children, and helped with work projects around the property. Thank you to all the teams for sending people to bless our community and God's people! GOD IS ABLE!

Dear Friends,

This past April 2023, Lighthouse International Ministries purchased the former St. George's Church at 1910 Falls St., Niagara Falls, NY. We are in the process of fixing things and revamping the church to make more

room for a Pastor's Office and Kidz Club supplies. Because of this purchase, we were able to house a missions team from Tennessee who stayed with us in July and ran Camp Gatawana. Our good friends, Rob and Chris Ellis, came up from Tennessee with their team of 23 people and lived in the church while ministering to children ages 5 to 15 years old! What a wonderful time the children had. At the end of the week, children received Bibles, and many of them are still asking when this team is returning! Then came Cornerstone Church from Grand Island to run a day camp for children the last week of July! Our summer was SO BUSY with missions teams almost every day. The teams did street outreach, worked with the children, and helped with work projects around the property. Thank you to all the teams for sending people to bless our community and God's people! GOD IS ABLE!

Dear Friends,

This past April 2023, Lighthouse International Ministries purchased the former St. George's Church at 1910 Falls St., Niagara Falls, NY. We are in the process of fixing things and revamping the church to make more

room for a Pastor's Office and Kidz Club supplies. Because of this purchase, we were able to house a missions team from Tennessee who stayed with us in July and ran Camp Gatawanna. Our good friends, Rob and Chris Ellis, came up from Tennessee with their team of 23 people and lived in the church while ministering to children ages 5 to 15 years old! What a wonderful time the children had. At the end of the week, children received Bibles, and many of them are still asking when this team is returning! Then came Cornerstone Church from Grand Island to run a day camp for children the last week of July! Our summer was SO BUSY with missions teams almost every day. The teams did street outreach, worked with the children, and helped with work projects around the property. Thank you to all the teams for sending people to bless our community and God's people! GOD IS ABLE!

Our good friends, Rob and Chris Ellis, came up from Tennessee with their team of 23 people and lived in the church while ministering to children ages 5 to 15 years old! What a wonderful time the children had. At the end of the week, children received Bibles, and many of them are still asking when this team is returning! Then came Cornerstone Church from Grand Island to run a day camp for children the last week of July! Our summer was SO BUSY with missions teams almost every day. The teams did street outreach, worked with the children, and helped with work projects around the property. Thank you to all the teams for sending people to bless our community and God's people! Dear Friends,

This past April 2023, Lighthouse International Ministries purchased the former St. George's Church at 1910 Falls St., Niagara Falls, NY. We are in the process of fixing things and revamping the church to make more

room for a Pastor's Office and Kidz Club supplies. Because of this purchase, we were able to house a missions team from Tennessee who stayed with us in July and ran Camp Gatawana. Our good friends, Rob and Chris Ellis, came up from Tennessee with their team of 23 people and lived in the church while ministering to children ages 5 to 15 years old! What a wonderful time the children had. At the end of the week, children received Bibles, and many of them are still asking when this team is returning! Then came Cornerstone Church from Grand Island to run a day camp for children the last week of July! Our summer was SO BUSY with missions teams almost every day. The teams did street outreach, worked with the children, and helped with work projects around the property. Thank you to all the teams for sending people to bless our community and God's people! GOD IS ABLE!

Dear Friends,

This past April 2023, Lighthouse International Ministries purchased the former St. George's Church at 1910 Falls St., Niagara Falls, NY. We are in the process of fixing things and revamping the church to make more

room for a Pastor's Office and Kidz Club supplies. Because of this purchase, we were able to house a missions team from Tennessee who stayed with us in July and ran Camp Gatawana. Our good friends, Rob and Chris Ellis, came up from Tennessee with their team of 23 people and lived in the church while ministering to children ages 5 to 15 years old! What a wonderful time the children had. At the end of the week, children received Bibles, and many of them are still asking when this team is returning! Then came Cornerstone Church from Grand Island to run a day camp for children the last week of July! Our summer was SO BUSY with missions teams almost every day. The teams did street outreach, worked with the children, and helped with work projects around the property. Thank you to all the teams for sending people to bless our community and God's people! GOD IS ABLE!

Dear Friends,

This past April 2023, Lighthouse International Ministries purchased the former St. George's Church at 1910 Falls St., Niagara Falls, NY. We are in the process of fixing things and revamping the church to make more

room for a Pastor's Office and Kidz Club supplies. Because of this purchase, we were able to house a missions team from Tennessee who stayed with us in July and ran Camp Gatawana. Our good friends, Rob and Chris Ellis, came up from Tennessee with their team of 23 people and lived in the church while ministering to children ages 5 to 15 years old! What a wonderful time the children had. At the end of the week, children received Bibles, and many of them are still asking when this team is returning! Then came Cornerstone Church from Grand Island to run a day camp for children the last week of July! Our summer was SO BUSY with missions teams almost every day. The teams did street outreach, worked with the children, and helped with work projects around the property. Thank you to all the teams for sending people to bless our community and God's people! GOD IS ABLE!

Dear Friends,

This past April 2023, Lighthouse International Ministries purchased the former St. George's Church at 1910 Falls St., Niagara Falls, NY. We are in the process of fixing things and revamping the church to make more

room for a Pastor's Office and Kidz Club supplies. Because of this purchase, we were able to house a missions team from Tennessee who stayed with us in July and ran Camp Gatawana. Our good friends, Rob and Chris Ellis, came up from Tennessee with their team of 23 people and lived in the church while ministering to children ages 5 to 15 years old! What a wonderful time the children had. At the end of the week, children received Bibles, and many of them are still asking when this team is returning! Then came Cornerstone Church from Grand Island to run a day camp for children the last week of July! Our summer was SO BUSY with missions teams almost every day. The teams did street outreach, worked with the children, and helped with work projects around the property. Thank you to all the teams for sending people to bless our community and God's people! GOD IS ABLE!

Our good friends, Rob and Chris Ellis, came up from Tennessee with their team of 23 people and lived in the church while ministering to children ages 5 to 15 years old! What a wonderful time the children had. At the end of the week, children received Bibles, and many of them are still asking when this team is returning! Then came Cornerstone Church from Grand Island to run a day camp for children the last week of July! Our summer was SO BUSY with missions teams almost every day. The teams did street outreach, worked with the children, and helped with work projects around the property. Thank you to all the teams for sending people to bless our community and God's people! Dear Friends,

This past April 2023, Lighthouse International Ministries purchased the former St. George's Church at 1910 Falls St., Niagara Falls, NY. We are in the process of fixing things and revamping the church to make more

room for a Pastor's Office and Kidz Club supplies. Because of this purchase, we were able to house a missions team from Tennessee who stayed with us in July and ran Camp Gatawana. Our good friends, Rob and Chris Ellis, came up from Tennessee with their team of 23 people and lived in the church while ministering to children ages 5 to 15 years old! What a wonderful time the children had. At the end of the week, children received Bibles, and many of them are still asking when this team is returning! Then came Cornerstone Church from Grand Island to run a day camp for children the last week of July! Our summer was SO BUSY with missions teams almost every day. The teams did street outreach, worked with the children, and helped with work projects around the property. Thank you to all the teams for sending people to bless our community and God's people! GOD IS ABLE!

Dear Friends,

This past April 2023, Lighthouse International Ministries purchased the former St. George's Church at 1910 Falls St., Niagara Falls, NY. We are in the process of fixing things and revamping the church to make more

room for a Pastor's Office and Kidz Club supplies. Because of this purchase, we were able to house a missions team from Tennessee who stayed with us in July and ran Camp Gatawana. Our good friends, Rob and Chris Ellis, came up from Tennessee with their team of 23 people and lived in the church while ministering to children ages 5 to 15 years old! What a wonderful time the children had. At the end of the week, children received Bibles, and many of them are still asking when this team is returning! Then came Cornerstone Church from Grand Island to run a day camp for children the last week of July! Our summer was SO BUSY with missions teams almost every day. The teams did street outreach, worked with the children, and helped with work projects around the property. Thank you to all the teams for sending people to bless our community and God's people! GOD IS ABLE!

Dear Friends,

This past April 2023, Lighthouse International Ministries purchased the former St. George's Church at 1910 Falls St., Niagara Falls, NY. We are in the process of fixing things and revamping the church to make more

room for a Pastor's Office and Kidz Club supplies. Because of this purchase, we were able to house a missions team from Tennessee who stayed with us in July and ran Camp Gatawana. Our good friends, Rob and Chris Ellis, came up from Tennessee with their team of 23 people and lived in the church while ministering to children ages 5 to 15 years old! What a wonderful time the children had. At the end of the week, children received Bibles, and many of them are still asking when this team is returning! Then came Cornerstone Church from Grand Island to run a day camp for children the last week of July! Our summer was SO BUSY with missions teams almost every day. The teams did street outreach, worked with the children, and helped with work projects around the property. Thank you to all the teams for sending people to bless our community and God's people! GOD IS ABLE!

Dear Friends,

This past April 2023, Lighthouse International Ministries purchased the former St. George's Church at 1910 Falls St., Niagara Falls, NY. We are in the process of fixing things and revamping the church to make more

room for a Pastor's Office and Kidz Club supplies. Because of this purchase, we were able to house a missions team from Tennessee who stayed with us in July and ran Camp Gatawana. Our good friends, Rob and Chris Ellis, came up from Tennessee with their team of 23 people and lived in the church while ministering to children ages 5 to 15 years old! What a wonderful time the children had. At the end of the week, children received Bibles, and many of them are still asking when this team is returning! Then came Cornerstone Church from Grand Island to run a day camp for children the last week of July! Our summer was SO BUSY with missions teams almost every day. The teams did street outreach, worked with the children, and helped with work projects around the property. Thank you to all the teams for sending people to bless our community and God's people! GOD IS ABLE!

Our good friends, Rob and Chris Ellis, came up from Tennessee with their team of 23 people and lived in the church while ministering to children ages 5 to 15 years old! What a wonderful time the children had. At the end of the week, children received Bibles, and many of them are still asking when this team is returning! Then came Cornerstone Church from Grand Island to run a day camp for children the last week of July! Our summer was SO BUSY with missions teams almost every day. The teams did street outreach, worked with the children, and helped with work projects around the property. Thank you to all the teams for sending people to bless our community and God's people! Dear Friends,

This past April 2023, Lighthouse International Ministries purchased the former St. George's Church at 1910 Falls St., Niagara Falls, NY. We are in the process of fixing things and revamping the church to make more

room for a Pastor's Office and Kidz Club supplies. Because of this purchase, we were able to house a missions team from Tennessee who stayed with us in July and ran Camp Gatawana. Our good friends, Rob and Chris Ellis, came up from Tennessee with their team of 23 people and lived in the church while ministering to children ages 5 to 15 years old! What a wonderful time the children had. At the end of the week, children received Bibles, and many of them are still asking when this team is returning! Then came Cornerstone Church from Grand Island to run a day camp for children the last week of July! Our summer was SO BUSY with missions teams almost every day. The teams did street outreach, worked with the children, and helped with work projects around the property. Thank you to all the teams for sending people to bless our community and God's people! GOD IS ABLE!

Dear Friends,

This past April 2023, Lighthouse International Ministries purchased the former St. George's Church at 1910 Falls St., Niagara Falls, NY. We are in the process of fixing things and revamping the church to make more

room for a Pastor's Office and Kidz Club supplies. Because of this purchase, we were able to house a missions team from Tennessee who stayed with us in July and ran Camp Gatawana. Our good friends, Rob and Chris Ellis, came up from Tennessee with their team of 23 people and lived in the church while ministering to children ages 5 to 15 years old! What a wonderful time the children had. At the end of the week, children received Bibles, and many of them are still asking when this team is returning! Then came Cornerstone Church from Grand Island to run a day camp for children the last week of July! Our summer was SO BUSY with missions teams almost every day. The teams did street outreach, worked with the children, and helped with work projects around the property. Thank you to all the teams for sending people to bless our community and God's people! GOD IS ABLE!

Dear Friends,

This past April 2023, Lighthouse International Ministries purchased the former St. George's Church at 1910 Falls St., Niagara Falls, NY. We are in the process of fixing things and revamping the church to make more

room for a Pastor's Office and Kidz Club supplies. Because of this purchase, we were able to house a missions team from Tennessee who stayed with us in July and ran Camp Gatawana. Our good friends, Rob and Chris Ellis, came up from Tennessee with their team of 23 people and lived in the church while ministering to children ages 5 to 15 years old! What a wonderful time the children had. At the end of the week, children received Bibles, and many of them are still asking when this team is returning! Then came Cornerstone Church from Grand Island to run a day camp for children the last week of July! Our summer was SO BUSY with missions teams almost every day. The teams did street outreach, worked with the children, and helped with work projects around the property. Thank you to all the teams for sending people to bless our community and God's people! GOD IS ABLE!

Dear Friends,

This past April 2023, Lighthouse International Ministries purchased the former St. George's Church at 1910 Falls St., Niagara Falls, NY. We are in the process of fixing things and revamping the church to make more

room for a Pastor's Office and Kidz Club supplies. Because of this purchase, we were able to house a missions team from Tennessee who stayed with us in July and ran Camp Gatawana. Our good friends, Rob and Chris Ellis, came up from Tennessee with their team of 23 people and lived in the church while ministering to children ages 5 to 15 years old! What a wonderful time the children had. At the end of the week, children received Bibles, and many of them are still asking when this team is returning! Then came Cornerstone Church from Grand Island to run a day camp for children the last week of July! Our summer was SO BUSY with missions teams almost every day. The teams did street outreach, worked with the children, and helped with work projects around the property. Thank you to all the teams for sending people to bless our community and God's people! GOD IS ABLE!

Our good friends, Rob and Chris Ellis, came up from Tennessee with their team of 23 people and lived in the church while ministering to children ages 5 to 15 years old! What a wonderful time the children had. At the end of the week, children received Bibles, and many of them are still asking when this team is returning! Then came Cornerstone Church from Grand Island to run a day camp for children the last week of July! Our summer was SO BUSY with missions teams almost every day. The teams did street outreach, worked with the children, and helped with work projects around the property. Thank you to all the teams for sending people to bless our community and God's people! Dear Friends,

This past April 2023, Lighthouse International Ministries purchased the former St. George's Church at 1910 Falls St., Niagara Falls, NY. We are in the process of fixing things and revamping the church to make more

room for a Pastor's Office and Kidz Club supplies. Because of this purchase, we were able to house a missions team from Tennessee who stayed with us in July and ran Camp Gatawana. Our good friends, Rob and Chris Ellis, came up from Tennessee with their team of 23 people and lived in the church while ministering to children ages 5 to 15 years old! What a wonderful time the children had. At the end of the week, children received Bibles, and many of them are still asking when this team is returning! Then came Cornerstone Church from Grand Island to run a day camp for children the last week of July! Our summer was SO BUSY with missions teams almost every day. The teams did street outreach, worked with the children, and helped with work projects around the property. Thank you to all the teams for sending people to bless our community and God's people! GOD IS ABLE!

Dear Friends,

This past April 2023, Lighthouse International Ministries purchased the former St. George's Church at 1910 Falls St., Niagara Falls, NY. We are in the process of fixing things and revamping the church to make more

room for a Pastor's Office and Kidz Club supplies. Because of this purchase, we were able to house a missions team from Tennessee who stayed with us in July and ran Camp Gatawana. Our good friends, Rob and Chris Ellis, came up from Tennessee with their team of 23 people and lived in the church while ministering to children ages 5 to 15 years old! What a wonderful time the children had. At the end of the week, children received Bibles, and many of them are still asking when this team is returning! Then came Cornerstone Church from Grand Island to run a day camp for children the last week of July! Our summer was SO BUSY with missions teams almost every day. The teams did street outreach, worked with the children, and helped with work projects around the property. Thank you to all the teams for sending people to bless our community and God's people! GOD IS ABLE!

Dear Friends,

This past April 2023, Lighthouse International Ministries purchased the former St. George's Church at 1910 Falls St., Niagara Falls, NY. We are in the process of fixing things and revamping the church to make more

room for a Pastor's Office and Kidz Club supplies. Because of this purchase, we were able to house a missions team from Tennessee who stayed with us in July and ran Camp Gatawana. Our good friends, Rob and Chris Ellis, came up from Tennessee with their team of 23 people and lived in the church while ministering to children ages 5 to 15 years old! What a wonderful time the children had. At the end of the week, children received Bibles, and many of them are still asking when this team is returning! Then came Cornerstone Church from Grand Island to run a day camp for children the last week of July! Our summer was SO BUSY with missions teams almost every day. The teams did street outreach, worked with the children, and helped with work projects around the property. Thank you to all the teams for sending people to bless our community and God's people! GOD IS ABLE!

Dear Friends,

This past April 2023, Lighthouse International Ministries purchased the former St. George's Church at 1910 Falls St., Niagara Falls, NY. We are in the process of fixing things and revamping the church to make more

room for a Pastor's Office and Kidz Club supplies. Because of this purchase, we were able to house a missions team from Tennessee who stayed with us in July and ran Camp Gatawana. Our good friends, Rob and Chris Ellis, came up from Tennessee with their team of 23 people and lived in the church while ministering to children ages 5 to 15 years old! What a wonderful time the children had. At the end of the week, children received Bibles, and many of them are still asking when this team is returning! Then came Cornerstone Church from Grand Island to run a day camp for children the last week of July! Our summer was SO BUSY with missions teams almost every day. The teams did street outreach, worked with the children, and helped with work projects around the property. Thank you to all the teams for sending people to bless our community and God's people! GOD IS ABLE!

Our good friends, Rob and Chris Ellis, came up from Tennessee with their team of 23 people and lived in the church while ministering to children ages 5 to 15 years old! What a wonderful time the children had. At the end of the week, children received Bibles, and many of them are still asking when this team is returning! Then came Cornerstone Church from Grand Island to run a day camp for children the last week of July! Our summer was SO BUSY with missions teams almost every day. The teams did street outreach, worked with the children, and helped with work projects around the property. Thank you to all the teams for sending people to bless our community and God's people! Dear Friends,

This past April 2023, Lighthouse International Ministries purchased the former St. George's Church at 1910 Falls St., Niagara Falls, NY. We are in the process of fixing things and revamping the church to make more

room for a Pastor's Office and Kidz Club supplies. Because of this purchase, we were able to house a missions team from Tennessee who stayed with us in July and ran Camp Gatawana. Our good friends, Rob and Chris Ellis, came up from Tennessee with their team of 23 people and lived in the church while ministering to children ages 5 to 15 years old! What a wonderful time the children had. At the end of the week, children received Bibles, and many of them are still asking when this team is returning! Then came Cornerstone Church from Grand Island to run a day camp for children the last week of July! Our summer was SO BUSY with missions teams almost every day. The teams did street outreach, worked with the children, and helped with work projects around the property. Thank you to all the teams for sending people to bless our community and God's people! GOD IS ABLE!

Dear Friends,

This past April 2023, Lighthouse International Ministries purchased the former St. George's Church at 1910 Falls St., Niagara Falls, NY. We are in the process of fixing things and revamping the church to make more

room for a Pastor's Office and Kidz Club supplies. Because of this purchase, we were able to house a missions team from Tennessee who stayed with us in July and ran Camp Gatawana. Our good friends, Rob and Chris Ellis, came up from Tennessee with their team of 23 people and lived in the church while ministering to children ages 5 to 15 years old! What a wonderful time the children had. At the end of the week, children received Bibles, and many of them are still asking when this team is returning! Then came Cornerstone Church from Grand Island to run a day camp for children the last week of July! Our summer was SO BUSY with missions teams almost every day. The teams did street outreach, worked with the children, and helped with work projects around the property. Thank you to all the teams for sending people to bless our community and God's people! GOD IS ABLE!

Dear Friends,

This past April 2023, Lighthouse International Ministries purchased the former St. George's Church at 1910 Falls St., Niagara Falls, NY. We are in the process of fixing things and revamping the church to make more

room for a Pastor's Office and Kidz Club supplies. Because of this purchase, we were able to house a missions team from Tennessee who stayed with us in July and ran Camp Gatawana. Our good friends, Rob and Chris Ellis, came up from Tennessee with their team of 23 people and lived in the church while ministering to children ages 5 to 15 years old! What a wonderful time the children had. At the end of the week, children received Bibles, and many of them are still asking when this team is returning! Then came Cornerstone Church from Grand Island to run a day camp for children the last week of July! Our summer was SO BUSY with missions teams almost every day. The teams did street outreach, worked with the children, and helped with work projects around the property. Thank you to all the teams for sending people to bless our community and God's people! GOD IS ABLE!

Dear Friends,

This past April 2023, Lighthouse International Ministries purchased the former St. George's Church at 1910 Falls St., Niagara Falls, NY. We are in the process of fixing things and revamping the church to make more

room for a Pastor's Office and Kidz Club supplies. Because of this purchase, we were able to house a missions team from Tennessee who stayed with us in July and ran Camp Gatawana. Our good friends, Rob and Chris Ellis, came up from Tennessee with their team of 23 people and lived in the church while ministering to children ages 5 to 15 years old! What a wonderful time the children had. At the end of the week, children received Bibles, and many of them are still asking when this team is returning! Then came Cornerstone Church from Grand Island to run a day camp for children the last week of July! Our summer was SO BUSY with missions teams almost every day. The teams did street outreach, worked with the children, and helped with work projects around the property. Thank you to all the teams for sending people to bless our community and God's people! GOD IS ABLE!

Our good friends, Rob and Chris Ellis, came up from Tennessee with their team of 23 people and lived in the church while ministering to children ages 5 to 15 years old! What a wonderful time the children had. At the end of the week, children received Bibles, and many of them are still asking when this team is returning! Then came Cornerstone Church from Grand Island to run a day camp for children the last week of July! Our summer was SO BUSY with missions teams almost every day. The teams did street outreach, worked with the children, and helped with work projects around the property. Thank you to all the teams for sending people to bless our community and God's people! Dear Friends,

This past April 2023, Lighthouse International Ministries purchased the former St. George's Church at 1910 Falls St., Niagara Falls, NY. We are in the process of fixing things and revamping the church to make more

room for a Pastor's Office and Kidz Club supplies. Because of this purchase, we were able to house a missions team from Tennessee who stayed with us in July and ran Camp Gatawana. Our good friends, Rob and Chris Ellis, came up from Tennessee with their team of 23 people and lived in the church while ministering to children ages 5 to 15 years old! What a wonderful time the children had. At the end of the week, children received Bibles, and many of them are still asking when this team is returning! Then came Cornerstone Church from Grand Island to run a day camp for children the last week of July! Our summer was SO BUSY with missions teams almost every day. The teams did street outreach, worked with the children, and helped with work projects around the property. Thank you to all the teams for sending people to bless our community and God's people! GOD IS ABLE!

Dear Friends,

This past April 2023, Lighthouse International Ministries purchased the former St. George's Church at 1910 Falls St., Niagara Falls, NY. We are in the process of fixing things and revamping the church to make more

room for a Pastor's Office and Kidz Club supplies. Because of this purchase, we were able to house a missions team from Tennessee who stayed with us in July and ran Camp Gatawana. Our good friends, Rob and Chris Ellis, came up from Tennessee with their team of 23 people and lived in the church while ministering to children ages 5 to 15 years old! What a wonderful time the children had. At the end of the week, children received Bibles, and many of them are still asking when this team is returning! Then came Cornerstone Church from Grand Island to run a day camp for children the last week of July! Our summer was SO BUSY with missions teams almost every day. The teams did street outreach, worked with the children, and helped with work projects around the property. Thank you to all the teams for sending people to bless our community and God's people! GOD IS ABLE!

Dear Friends,

This past April 2023, Lighthouse International Ministries purchased the former St. George's Church at 1910 Falls St., Niagara Falls, NY. We are in the process of fixing things and revamping the church to make more

room for a Pastor's Office and Kidz Club supplies. Because of this purchase, we were able to house a missions team from Tennessee who stayed with us in July and ran Camp Gatawana. Our good friends, Rob and Chris Ellis, came up from Tennessee with their team of 23 people and lived in the church while ministering to children ages 5 to 15 years old! What a wonderful time the children had. At the end of the week, children received Bibles, and many of them are still asking when this team is returning! Then came Cornerstone Church from Grand Island to run a day camp for children the last week of July! Our summer was SO BUSY with missions teams almost every day. The teams did street outreach, worked with the children, and helped with work projects around the property. Thank you to all the teams for sending people to bless our community and God's people! GOD IS ABLE!

Dear Friends,

This past April 2023, Lighthouse International Ministries purchased the former St. George's Church at 1910 Falls St., Niagara Falls, NY. We are in the process of fixing things and revamping the church to make more

room for a Pastor's Office and Kidz Club supplies. Because of this purchase, we were able to house a missions team from Tennessee who stayed with us in July and ran Camp Gatawana. Our good friends, Rob and Chris Ellis, came up from Tennessee with their team of 23 people and lived in the church while ministering to children ages 5 to 15 years old! What a wonderful time the children had. At the end of the week, children received Bibles, and many of them are still asking when this team is returning! Then came Cornerstone Church from Grand Island to run a day camp for children the last week of July! Our summer was SO BUSY with missions teams almost every day. The teams did street outreach, worked with the children, and helped with work projects around the property. Thank you to all the teams for sending people to bless our community and God's people! GOD IS ABLE!

Our good friends, Rob and Chris Ellis, came up from Tennessee with their team of 23 people and lived in the church while ministering to children ages 5 to 15 years old! What a wonderful time the children had. At the end of the week, children received Bibles, and many of them are still asking when this team is returning! Then came Cornerstone Church from Grand Island to run a day camp for children the last week of July! Our summer was SO BUSY with missions teams almost every day. The teams did street outreach, worked with the children, and helped with work projects around the property. Thank you to all the teams for sending people to bless our community and God's people! Dear Friends,

This past April 2023, Lighthouse International Ministries purchased the former St. George's Church at 1910 Falls St., Niagara Falls, NY. We are in the process of fixing things and revamping the church to make more

room for a Pastor's Office and Kidz Club supplies. Because of this purchase, we were able to house a missions team from Tennessee who stayed with us in July and ran Camp Gatawana. Our good friends, Rob and Chris Ellis, came up from Tennessee with their team of 23 people and lived in the church while ministering to children ages 5 to 15 years old! What a wonderful time the children had. At the end of the week, children received Bibles, and many of them are still asking when this team is returning! Then came Cornerstone Church from Grand Island to run a day camp for children the last week of July! Our summer was SO BUSY with missions teams almost every day. The teams did street outreach, worked with the children, and helped with work projects around the property. Thank you to all the teams for sending people to bless our community and God's people! GOD IS ABLE!

Dear Friends,

This past April 2023, Lighthouse International Ministries purchased the former St. George's Church at 1910 Falls St., Niagara Falls, NY. We are in the process of fixing things and revamping the church to make more

room for a Pastor's Office and Kidz Club supplies. Because of this purchase, we were able to house a missions team from Tennessee who stayed with us in July and ran Camp Gatawana. Our good friends, Rob and Chris Ellis, came up from Tennessee with their team of 23 people and lived in the church while ministering to children ages 5 to 15 years old! What a wonderful time the children had. At the end of the week, children received Bibles, and many of them are still asking when this team is returning! Then came Cornerstone Church from Grand Island to run a day camp for children the last week of July! Our summer was SO BUSY with missions teams almost every day. The teams did street outreach, worked with the children, and helped with work projects around the property. Thank you to all the teams for sending people to bless our community and God's people! GOD IS ABLE!

Dear Friends,

This past April 2023, Lighthouse International Ministries purchased the former St. George's Church at 1910 Falls St., Niagara Falls, NY. We are in the process of fixing things and revamping the church to make more

room for a Pastor's Office and Kidz Club supplies. Because of this purchase, we were able to house a missions team from Tennessee who stayed with us in July and ran Camp Gatawana. Our good friends, Rob and Chris Ellis, came up from Tennessee with their team of 23 people and lived in the church while ministering to children ages 5 to 15 years old! What a wonderful time the children had. At the end of the week, children received Bibles, and many of them are still asking when this team is returning! Then came Cornerstone Church from Grand Island to run a day camp for children the last week of July! Our summer was SO BUSY with missions teams almost every day. The teams did street outreach, worked with the children, and helped with work projects around the property. Thank you to all the teams for sending people to bless our community and God's people! GOD IS ABLE!

Dear Friends,

This past April 2023, Lighthouse International Ministries purchased the former St. George's Church at 1910 Falls St., Niagara Falls, NY. We are in the process of fixing things and revamping the church to make more

room for a Pastor's Office and Kidz Club supplies. Because of this purchase, we were able to house a missions team from Tennessee who stayed with us in July and ran Camp Gatawana. Our good friends, Rob and Chris Ellis, came up from Tennessee with their team of 23 people and lived in the church while ministering to children ages 5 to 15 years old! What a wonderful time the children had. At the end of the week, children received Bibles, and many of them are still asking when this team is returning! Then came Cornerstone Church from Grand Island to run a day camp for children the last week of July! Our summer was SO BUSY with missions teams almost every day. The teams did street outreach, worked with the children, and helped with work projects around the property. Thank you to all the teams for sending people to bless our community and God's people! GOD IS ABLE!

Our good friends, Rob and Chris Ellis, came up from Tennessee with their team of 23 people and lived in the church while ministering to children ages 5 to 15 years old! What a wonderful time the children had. At the end of the week, children received Bibles, and many of them are still asking when this team is returning! Then came Cornerstone Church from Grand Island to run a day camp for children the last week of July! Our summer was SO BUSY with missions teams almost every day. The teams did street outreach, worked with the children, and helped with work projects around the property. Thank you to all the teams for sending people to bless our community and God's people! Dear Friends,

This past April 2023, Lighthouse International Ministries purchased the former St. George's Church at 1910 Falls St., Niagara Falls, NY. We are in the process of fixing things and revamping the church to make more

room for a Pastor's Office and Kidz Club supplies. Because of this purchase, we were able to house a missions team from Tennessee who stayed with us in July and ran Camp Gatawana. Our good friends, Rob and Chris Ellis, came up from Tennessee with their team of 23 people and lived in the church while ministering to children ages 5 to 15 years old! What a wonderful time the children had. At the end of the week, children received Bibles, and many of them are still asking when this team is returning! Then came Cornerstone Church from Grand Island to run a day camp for children the last week of July! Our summer was SO BUSY with missions teams almost every day. The teams did street outreach, worked with the children, and helped with work projects around the property. Thank you to all the teams for sending people to bless our community and God's people! GOD IS ABLE!

Dear Friends,

This past April 2023, Lighthouse International Ministries purchased the former St. George's Church at 1910 Falls St., Niagara Falls, NY. We are in the process of fixing things and revamping the church to make more

room for a Pastor's Office and Kidz Club supplies. Because of this purchase, we were able to house a missions team from Tennessee who stayed with us in July and ran Camp Gatawana. Our good friends, Rob and Chris Ellis, came up from Tennessee with their team of 23 people and lived in the church while ministering to children ages 5 to 15 years old! What a wonderful time the children had. At the end of the week, children received Bibles, and many of them are still asking when this team is returning! Then came Cornerstone Church from Grand Island to run a day camp for children the last week of July! Our summer was SO BUSY with missions teams almost every day. The teams did street outreach, worked with the children, and helped with work projects around the property. Thank you to all the teams for sending people to bless our community and God's people! GOD IS ABLE!

Dear Friends,

This past April 2023, Lighthouse International Ministries purchased the former St. George's Church at 1910 Falls St., Niagara Falls, NY. We are in the process of fixing things and revamping the church to make more

room for a Pastor's Office and Kidz Club supplies. Because of this purchase, we were able to house a missions team from Tennessee who stayed with us in July and ran Camp Gatawana. Our good friends, Rob and Chris Ellis, came up from Tennessee with their team of 23 people and lived in the church while ministering to children ages 5 to 15 years old! What a wonderful time the children had. At the end of the week, children received Bibles, and many of them are still asking when this team is returning! Then came Cornerstone Church from Grand Island to run a day camp for children the last week of July! Our summer was SO BUSY with missions teams almost every day. The teams did street outreach, worked with the children, and helped with work projects around the property. Thank you to all the teams for sending people to bless our community and God's people! GOD IS ABLE!

Dear Friends,

This past April 2023, Lighthouse International Ministries purchased the former St. George's Church at 1910 Falls St., Niagara Falls, NY. We are in the process of fixing things and revamping the church to make more

room for a Pastor's Office and Kidz Club supplies. Because of this purchase, we were able to house a missions team from Tennessee who stayed with us in July and ran Camp Gatawana. Our good friends, Rob and Chris Ellis, came up from Tennessee with their team of 23 people and lived in the church while ministering to children ages 5 to 15 years old! What a wonderful time the children had. At the end of the week, children received Bibles, and many of them are still asking when this team is returning! Then came Cornerstone Church from Grand Island to run a day camp for children the last week of July! Our summer was SO BUSY with missions teams almost every day. The teams did street outreach, worked with the children, and helped with work projects around the property. Thank you to all the teams for sending people to bless our community and God's people! GOD IS ABLE!

Our good friends, Rob and Chris Ellis, came up from Tennessee with their team of 23 people and lived in the church while ministering to children ages 5 to 15 years old! What a wonderful time the children had. At the end of the week, children received Bibles, and many of them are still asking when this team is returning! Then came Cornerstone Church from Grand Island to run a day camp for children the last week of July! Our summer was SO BUSY with missions teams almost every day. The teams did street outreach, worked with the children, and helped with work projects around the property. Thank you to all the teams for sending people to bless our community and God's people! Dear Friends,

This past April 2023, Lighthouse International Ministries purchased the former St. George's Church at 1910 Falls St., Niagara Falls, NY. We are in the process of fixing things and revamping the church to make more

room for a Pastor's Office and Kidz Club supplies. Because of this purchase, we were able to house a missions team from Tennessee who stayed with us in July and ran Camp Gatawana. Our good friends, Rob and Chris Ellis, came up from Tennessee with their team of 23 people and lived in the church while ministering to children ages 5 to 15 years old! What a wonderful time the children had. At the end of the week, children received Bibles, and many of them are still asking when this team is returning! Then came Cornerstone Church from Grand Island to run a day camp for children the last week of July! Our summer was SO BUSY with missions teams almost every day. The teams did street outreach, worked with the children, and helped with work projects around the property. Thank you to all the teams for sending people to bless our community and God's people! GOD IS ABLE!

Dear Friends,

This past April 2023, Lighthouse International Ministries purchased the former St. George's Church at 1910 Falls St., Niagara Falls, NY. We are in the process of fixing things and revamping the church to make more

room for a Pastor's Office and Kidz Club supplies. Because of this purchase, we were able to house a missions team from Tennessee who stayed with us in July and ran Camp Gatawana. Our good friends, Rob and Chris Ellis, came up from Tennessee with their team of 23 people and lived in the church while ministering to children ages 5 to 15 years old! What a wonderful time the children had. At the end of the week, children received Bibles, and many of them are still asking when this team is returning! Then came Cornerstone Church from Grand Island to run a day camp for children the last week of July! Our summer was SO BUSY with missions teams almost every day. The teams did street outreach, worked with the children, and helped with work projects around the property. Thank you to all the teams for sending people to bless our community and God's people! GOD IS ABLE!

Dear Friends,

This past April 2023, Lighthouse International Ministries purchased the former St. George's Church at 1910 Falls St., Niagara Falls, NY. We are in the process of fixing things and revamping the church to make more

room for a Pastor's Office and Kidz Club supplies. Because of this purchase, we were able to house a missions team from Tennessee who stayed with us in July and ran Camp Gatawana. Our good friends, Rob and Chris Ellis, came up from Tennessee with their team of 23 people and lived in the church while ministering to children ages 5 to 15 years old! What a wonderful time the children had. At the end of the week, children received Bibles, and many of them are still asking when this team is returning! Then came Cornerstone Church from Grand Island to run a day camp for children the last week of July! Our summer was SO BUSY with missions teams almost every day. The teams did street outreach, worked with the children, and helped with work projects around the property. Thank you to all the teams for sending people to bless our community and God's people! GOD IS ABLE!

Dear Friends,

This past April 2023, Lighthouse International Ministries purchased the former St. George's Church at 1910 Falls St., Niagara Falls, NY. We are in the process of fixing things and revamping the church to make more

room for a Pastor's Office and Kidz Club supplies. Because of this purchase, we were able to house a missions team from Tennessee who stayed with us in July and ran Camp Gatawana. Our good friends, Rob and Chris Ellis, came up from Tennessee with their team of 23 people and lived in the church while ministering to children ages 5 to 15 years old! What a wonderful time the children had. At the end of the week, children received Bibles, and many of them are still asking when this team is returning! Then came Cornerstone Church from Grand Island to run a day camp for children the last week of July! Our summer was SO BUSY with missions teams almost every day. The teams did street outreach, worked with the children, and helped with work projects around the property. Thank you to all the teams for sending people to bless our community and God's people! GOD IS ABLE!

Our good friends, Rob and Chris Ellis, came up from Tennessee with their team of 23 people and lived in the church while ministering to children ages 5 to 15 years old! What a wonderful time the children had. At the end of the week, children received Bibles, and many of them are still asking when this team is returning! Then came Cornerstone Church from Grand Island to run a day camp for children the last week of July! Our summer was SO BUSY with missions teams almost every day. The teams did street outreach, worked with the children, and helped with work projects around the property. Thank you to all the teams for sending people to bless our community and God's people! Dear Friends,

This past April 2023, Lighthouse International Ministries purchased the former St. George's Church at 1910 Falls St., Niagara Falls, NY. We are in the process of fixing things and revamping the church to make more

room for a Pastor's Office and Kidz Club supplies. Because of this purchase, we were able to house a missions team from Tennessee who stayed with us in July and ran Camp Gatawana. Our good friends, Rob and Chris Ellis, came up from Tennessee with their team of 23 people and lived in the church while ministering to children ages 5 to 15 years old! What a wonderful time the children had. At the end of the week, children received Bibles, and many of them are still asking when this team is returning! Then came Cornerstone Church from Grand Island to run a day camp for children the last week of July! Our summer was SO BUSY with missions teams almost every day. The teams did street outreach, worked with the children, and helped with work projects around the property. Thank you to all the teams for sending people to bless our community and God's people! GOD IS ABLE!

Dear Friends,

This past April 2023, Lighthouse International Ministries purchased the former St. George's Church at 1910 Falls St., Niagara Falls, NY. We are in the process of fixing things and revamping the church to make more

room for a Pastor's Office and Kidz Club supplies. Because of this purchase, we were able to house a missions team from Tennessee who stayed with us in July and ran Camp Gatawana. Our good friends, Rob and Chris Ellis, came up from Tennessee with their team of 23 people and lived in the church while ministering to children ages 5 to 15 years old! What a wonderful time the children had. At the end of the week, children received Bibles, and many of them are still asking when this team is returning! Then came Cornerstone Church from Grand Island to run a day camp for children the last week of July! Our summer was SO BUSY with missions teams almost every day. The teams did street outreach, worked with the children, and helped with work projects around the property. Thank you to all the teams for sending people to bless our community and God's people! GOD IS ABLE!

Dear Friends,

This past April 2023, Lighthouse International Ministries purchased the former St. George's Church at 1910 Falls St., Niagara Falls, NY. We are in the process of fixing things and revamping the church to make more

room for a Pastor's Office and Kidz Club supplies. Because of this purchase, we were able to house a missions team from Tennessee who stayed with us in July and ran Camp Gatawana. Our good friends, Rob and Chris Ellis, came up from Tennessee with their team of 23 people and lived in the church while ministering to children ages 5 to 15 years old! What a wonderful time the children had. At the end of the week, children received Bibles, and many of them are still asking when this team is returning! Then came Cornerstone Church from Grand Island to run a day camp for children the last week of July! Our summer was SO BUSY with missions teams almost every day. The teams did street outreach, worked with the children, and helped with work projects around the property. Thank you to all the teams for sending people to bless our community and God's people! GOD IS ABLE!

Dear Friends,

This past April 2023, Lighthouse International Ministries purchased the former St. George's Church at 1910 Falls St., Niagara Falls, NY. We are in the process of fixing things and revamping the church to make more

room for a Pastor's Office and Kidz Club supplies. Because of this purchase, we were able to house a missions team from Tennessee who stayed with us in July and ran Camp Gatawana. Our good friends, Rob and Chris Ellis, came up from Tennessee with their team of 23 people and lived in the church while ministering to children ages 5 to 15 years old! What a wonderful time the children had. At the end of the week, children received Bibles, and many of them are still asking when this team is returning! Then came Cornerstone Church from Grand Island to run a day camp for children the last week of July! Our summer was SO BUSY with missions teams almost every day. The teams did street outreach, worked with the children, and helped with work projects around the property. Thank you to all the teams for sending people to bless our community and God's people! GOD IS ABLE!

Our good friends, Rob and Chris Ellis, came up from Tennessee with their team of 23 people and lived in the church while ministering to children ages 5 to 15 years old! What a wonderful time the children had. At the end of the week, children received Bibles, and many of them are still asking when this team is returning! Then came Cornerstone Church from Grand Island to run a day camp for children the last week of July! Our summer was SO BUSY with missions teams almost every day. The teams did street outreach, worked with the children, and helped with work projects around the property. Thank you to all the teams for sending people to bless our community and God's people! Dear Friends,

This past April 2023, Lighthouse International Ministries purchased the former St. George's Church at 1910 Falls St., Niagara Falls, NY. We are in the process of fixing things and revamping the church to make more

room for a Pastor's Office and Kidz Club supplies. Because of this purchase, we were able to house a missions team from Tennessee who stayed with us in July and ran Camp Gatawanna. Our good friends, Rob and Chris Ellis, came up from Tennessee with their team of 23 people and lived in the church while ministering to children ages 5 to 15 years old! What a wonderful time the children had. At the end of the week, children received Bibles, and many of them are still asking when this team is returning! Then came Cornerstone Church from Grand Island to run a day camp for children the last week of July! Our summer was SO BUSY with missions teams almost every day. The teams did street outreach, worked with the children, and helped with work projects around the property. Thank you to all the teams for sending people to bless our community and God's people! GOD IS ABLE!

Dear Friends,

This past April 2023, Lighthouse International Ministries purchased the former St. George's Church at 1910 Falls St., Niagara Falls, NY. We are in the process of fixing things and revamping the church to make more

room for a Pastor's Office and Kidz Club supplies. Because of this purchase, we were able to house a missions team from Tennessee who stayed with us in July and ran Camp Gatawana. Our good friends, Rob and Chris Ellis, came up from Tennessee with their team of 23 people and lived in the church while ministering to children ages 5 to 15 years old! What a wonderful time the children had. At the end of the week, children received Bibles, and many of them are still asking when this team is returning! Then came Cornerstone Church from Grand Island to run a day camp for children the last week of July! Our summer was SO BUSY with missions teams almost every day. The teams did street outreach, worked with the children, and helped with work projects around the property. Thank you to all the teams for sending people to bless our community and God's people! GOD IS ABLE!

Dear Friends,

This past April 2023, Lighthouse International Ministries purchased the former St. George's Church at 1910 Falls St., Niagara Falls, NY. We are in the process of fixing things and revamping the church to make more

room for a Pastor's Office and Kidz Club supplies. Because of this purchase, we were able to house a missions team from Tennessee who stayed with us in July and ran Camp Gatawana. Our good friends, Rob and Chris Ellis, came up from Tennessee with their team of 23 people and lived in the church while ministering to children ages 5 to 15 years old! What a wonderful time the children had. At the end of the week, children received Bibles, and many of them are still asking when this team is returning! Then came Cornerstone Church from Grand Island to run a day camp for children the last week of July! Our summer was SO BUSY with missions teams almost every day. The teams did street outreach, worked with the children, and helped with work projects around the property. Thank you to all the teams for sending people to bless our community and God's people! GOD IS ABLE!

Dear Friends,

This past April 2023, Lighthouse International Ministries purchased the former St. George's Church at 1910 Falls St., Niagara Falls, NY. We are in the process of fixing things and revamping the church to make more

room for a Pastor's Office and Kidz Club supplies. Because of this purchase, we were able to house a missions team from Tennessee who stayed with us in July and ran Camp Gatawana. Our good friends, Rob and Chris Ellis, came up from Tennessee with their team of 23 people and lived in the church while ministering to children ages 5 to 15 years old! What a wonderful time the children had. At the end of the week, children received Bibles, and many of them are still asking when this team is returning! Then came Cornerstone Church from Grand Island to run a day camp for children the last week of July! Our summer was SO BUSY with missions teams almost every day. The teams did street outreach, worked with the children, and helped with work projects around the property. Thank you to all the teams for sending people to bless our community and God's people! GOD IS ABLE!

Our good friends, Rob and Chris Ellis, came up from Tennessee with their team of 23 people and lived in the church while ministering to children ages 5 to 15 years old! What a wonderful time the children had. At the end of the week, children received Bibles, and many of them are still asking when this team is returning! Then came Cornerstone Church from Grand Island to run a day camp for children the last week of July! Our summer was SO BUSY with missions teams almost every day. The teams did street outreach, worked with the children, and helped with work projects around the property. Thank you to all the teams for sending people to bless our community and God's people! Dear Friends,

This past April 2023, Lighthouse International Ministries purchased the former St. George's Church at 1910 Falls St., Niagara Falls, NY. We are in the process of fixing things and revamping the church to make more

room for a Pastor's Office and Kidz Club supplies. Because of this purchase, we were able to house a missions team from Tennessee who stayed with us in July and ran Camp Gatawana. Our good friends, Rob and Chris Ellis, came up from Tennessee with their team of 23 people and lived in the church while ministering to children ages 5 to 15 years old! What a wonderful time the children had. At the end of the week, children received Bibles, and many of them are still asking when this team is returning! Then came Cornerstone Church from Grand Island to run a day camp for children the last week of July! Our summer was SO BUSY with missions teams almost every day. The teams did street outreach, worked with the children, and helped with work projects around the property. Thank you to all the teams for sending people to bless our community and God's people! GOD IS ABLE!

Dear Friends,

This past April 2023, Lighthouse International Ministries purchased the former St. George's Church at 1910 Falls St., Niagara Falls, NY. We are in the process of fixing things and revamping the church to make more

room for a Pastor's Office and Kidz Club supplies. Because of this purchase, we were able to house a missions team from Tennessee who stayed with us in July and ran Camp Gatawana. Our good friends, Rob and Chris Ellis, came up from Tennessee with their team of 23 people and lived in the church while ministering to children ages 5 to 15 years old! What a wonderful time the children had. At the end of the week, children received Bibles, and many of them are still asking when this team is returning! Then came Cornerstone Church from Grand Island to run a day camp for children the last week of July! Our summer was SO BUSY with missions teams almost every day. The teams did street outreach, worked with the children, and helped with work projects around the property. Thank you to all the teams for sending people to bless our community and God's people! GOD IS ABLE!

Dear Friends,

This past April 2023, Lighthouse International Ministries purchased the former St. George's Church at 1910 Falls St., Niagara Falls, NY. We are in the process of fixing things and revamping the church to make more

room for a Pastor's Office and Kidz Club supplies. Because of this purchase, we were able to house a missions team from Tennessee who stayed with us in July and ran Camp Gatawana. Our good friends, Rob and Chris Ellis, came up from Tennessee with their team of 23 people and lived in the church while ministering to children ages 5 to 15 years old! What a wonderful time the children had. At the end of the week, children received Bibles, and many of them are still asking when this team is returning! Then came Cornerstone Church from Grand Island to run a day camp for children the last week of July! Our summer was SO BUSY with missions teams almost every day. The teams did street outreach, worked with the children, and helped with work projects around the property. Thank you to all the teams for sending people to bless our community and God's people! GOD IS ABLE!

Dear Friends,

This past April 2023, Lighthouse International Ministries purchased the former St. George's Church at 1910 Falls St., Niagara Falls, NY. We are in the process of fixing things and revamping the church to make more

room for a Pastor's Office and Kidz Club supplies. Because of this purchase, we were able to house a missions team from Tennessee who stayed with us in July and ran Camp Gatawana. Our good friends, Rob and Chris Ellis, came up from Tennessee with their team of 23 people and lived in the church while ministering to children ages 5 to 15 years old! What a wonderful time the children had. At the end of the week, children received Bibles, and many of them are still asking when this team is returning! Then came Cornerstone Church from Grand Island to run a day camp for children the last week of July! Our summer was SO BUSY with missions teams almost every day. The teams did street outreach, worked with the children, and helped with work projects around the property. Thank you to all the teams for sending people to bless our community and God's people! GOD IS ABLE!

Our good friends, Rob and Chris Ellis, came up from Tennessee with their team of 23 people and lived in the church while ministering to children ages 5 to 15 years old! What a wonderful time the children had. At the end of the week, children received Bibles, and many of them are still asking when this team is returning! Then came Cornerstone Church from Grand Island to run a day camp for children the last week of July! Our summer was SO BUSY with missions teams almost every day. The teams did street outreach, worked with the children, and helped with work projects around the property. Thank you to all the teams for sending people to bless our community and God's people! Dear Friends,

This past April 2023, Lighthouse International Ministries purchased the former St. George's Church at 1910 Falls St., Niagara Falls, NY. We are in the process of fixing things and revamping the church to make more

room for a Pastor's Office and Kidz Club supplies. Because of this purchase, we were able to house a missions team from Tennessee who stayed with us in July and ran Camp Gatawana. Our good friends, Rob and Chris Ellis, came up from Tennessee with their team of 23 people and lived in the church while ministering to children ages 5 to 15 years old! What a wonderful time the children had. At the end of the week, children received Bibles, and many of them are still asking when this team is returning! Then came Cornerstone Church from Grand Island to run a day camp for children the last week of July! Our summer was SO BUSY with missions teams almost every day. The teams did street outreach, worked with the children, and helped with work projects around the property. Thank you to all the teams for sending people to bless our community and God's people! GOD IS ABLE!

Dear Friends,

This past April 2023, Lighthouse International Ministries purchased the former St. George's Church at 1910 Falls St., Niagara Falls, NY. We are in the process of fixing things and revamping the church to make more

room for a Pastor's Office and Kidz Club supplies. Because of this purchase, we were able to house a missions team from Tennessee who stayed with us in July and ran Camp Gatawana. Our good friends, Rob and Chris Ellis, came up from Tennessee with their team of 23 people and lived in the church while ministering to children ages 5 to 15 years old! What a wonderful time the children had. At the end of the week, children received Bibles, and many of them are still asking when this team is returning! Then came Cornerstone Church from Grand Island to run a day camp for children the last week of July! Our summer was SO BUSY with missions teams almost every day. The teams did street outreach, worked with the children, and helped with work projects around the property. Thank you to all the teams for sending people to bless our community and God's people! GOD IS ABLE!

Dear Friends,

This past April 2023, Lighthouse International Ministries purchased the former St. George's Church at 1910 Falls St., Niagara Falls, NY. We are in the process of fixing things and revamping the church to make more

room for a Pastor's Office and Kidz Club supplies. Because of this purchase, we were able to house a missions team from Tennessee who stayed with us in July and ran Camp Gatawana. Our good friends, Rob and Chris Ellis, came up from Tennessee with their team of 23 people and lived in the church while ministering to children ages 5 to 15 years old! What a wonderful time the children had. At the end of the week, children received Bibles, and many of them are still asking when this team is returning! Then came Cornerstone Church from Grand Island to run a day camp for children the last week of July! Our summer was SO BUSY with missions teams almost every day. The teams did street outreach, worked with the children, and helped with work projects around the property. Thank you to all the teams for sending people to bless our community and God's people! GOD IS ABLE!

Dear Friends,

This past April 2023, Lighthouse International Ministries purchased the former St. George's Church at 1910 Falls St., Niagara Falls, NY. We are in the process of fixing things and revamping the church to make more

room for a Pastor's Office and Kidz Club supplies. Because of this purchase, we were able to house a missions team from Tennessee who stayed with us in July and ran Camp Gatawana. Our good friends, Rob and Chris Ellis, came up from Tennessee with their team of 23 people and lived in the church while ministering to children ages 5 to 15 years old! What a wonderful time the children had. At the end of the week, children received Bibles, and many of them are still asking when this team is returning! Then came Cornerstone Church from Grand Island to run a day camp for children the last week of July! Our summer was SO BUSY with missions teams almost every day. The teams did street outreach, worked with the children, and helped with work projects around the property. Thank you to all the teams for sending people to bless our community and God's people! GOD IS ABLE!

Our good friends, Rob and Chris Ellis, came up from Tennessee with their team of 23 people and lived in the church while ministering to children ages 5 to 15 years old! What a wonderful time the children had. At the end of the week, children received Bibles, and many of them are still asking when this team is returning! Then came Cornerstone Church from Grand Island to run a day camp for children the last week of July! Our summer was SO BUSY with missions teams almost every day. The teams did street outreach, worked with the children, and helped with work projects around the property. Thank you to all the teams for sending people to bless our community and God's people! Dear Friends,

This past April 2023, Lighthouse International Ministries purchased the former St. George's Church at 1910 Falls St., Niagara Falls, NY. We are in the process of fixing things and revamping the church to make more

room for a Pastor's Office and Kidz Club supplies. Because of this purchase, we were able to house a missions team from Tennessee who stayed with us in July and ran Camp Gatawana. Our good friends, Rob and Chris Ellis, came up from Tennessee with their team of 23 people and lived in the church while ministering to children ages 5 to 15 years old! What a wonderful time the children had. At the end of the week, children received Bibles, and many of them are still asking when this team is returning! Then came Cornerstone Church from Grand Island to run a day camp for children the last week of July! Our summer was SO BUSY with missions teams almost every day. The teams did street outreach, worked with the children, and helped with work projects around the property. Thank you to all the teams for sending people to bless our community and God's people! GOD IS ABLE!

Dear Friends,

This past April 2023, Lighthouse International Ministries purchased the former St. George's Church at 1910 Falls St., Niagara Falls, NY. We are in the process of fixing things and revamping the church to make more

room for a Pastor's Office and Kidz Club supplies. Because of this purchase, we were able to house a missions team from Tennessee who stayed with us in July and ran Camp Gatawana. Our good friends, Rob and Chris Ellis, came up from Tennessee with their team of 23 people and lived in the church while ministering to children ages 5 to 15 years old! What a wonderful time the children had. At the end of the week, children received Bibles, and many of them are still asking when this team is returning! Then came Cornerstone Church from Grand Island to run a day camp for children the last week of July! Our summer was SO BUSY with missions teams almost every day. The teams did street outreach, worked with the children, and helped with work projects around the property. Thank you to all the teams for sending people to bless our community and God's people! GOD IS ABLE!

Dear Friends,

This past April 2023, Lighthouse International Ministries purchased the former St. George's Church at 1910 Falls St., Niagara Falls, NY. We are in the process of fixing things and revamping the church to make more

room for a Pastor's Office and Kidz Club supplies. Because of this purchase, we were able to house a missions team from Tennessee who stayed with us in July and ran Camp Gatawana. Our good friends, Rob and Chris Ellis, came up from Tennessee with their team of 23 people and lived in the church while ministering to children ages 5 to 15 years old! What a wonderful time the children had. At the end of the week, children received Bibles, and many of them are still asking when this team is returning! Then came Cornerstone Church from Grand Island to run a day camp for children the last week of July! Our summer was SO BUSY with missions teams almost every day. The teams did street outreach, worked with the children, and helped with work projects around the property. Thank you to all the teams for sending people to bless our community and God's people! GOD IS ABLE!

Dear Friends,

This past April 2023, Lighthouse International Ministries purchased the former St. George's Church at 1910 Falls St., Niagara Falls, NY. We are in the process of fixing things and revamping the church to make more

room for a Pastor's Office and Kidz Club supplies. Because of this purchase, we were able to house a missions team from Tennessee who stayed with us in July and ran Camp Gatawana. Our good friends, Rob and Chris Ellis, came up from Tennessee with their team of 23 people and lived in the church while ministering to children ages 5 to 15 years old! What a wonderful time the children had. At the end of the week, children received Bibles, and many of them are still asking when this team is returning! Then came Cornerstone Church from Grand Island to run a day camp for children the last week of July! Our summer was SO BUSY with missions teams almost every day. The teams did street outreach, worked with the children, and helped with work projects around the property. Thank you to all the teams for sending people to bless our community and God's people! GOD IS ABLE!

Our good friends, Rob and Chris Ellis, came up from Tennessee with their team of 23 people and lived in the church while ministering to children ages 5 to 15 years old! What a wonderful time the children had. At the end of the week, children received Bibles, and many of them are still asking when this team is returning! Then came Cornerstone Church from Grand Island to run a day camp for children the last week of July! Our summer was SO BUSY with missions teams almost every day. The teams did street outreach, worked with the children, and helped with work projects around the property. Thank you to all the teams for sending people to bless our community and God's people! Dear Friends,

This past April 2023, Lighthouse International Ministries purchased the former St. George's Church at 1910 Falls St., Niagara Falls, NY. We are in the process of fixing things and revamping the church to make more

room for a Pastor's Office and Kidz Club supplies. Because of this purchase, we were able to house a missions team from Tennessee who stayed with us in July and ran Camp Gatawana. Our good friends, Rob and Chris Ellis, came up from Tennessee with their team of 23 people and lived in the church while ministering to children ages 5 to 15 years old! What a wonderful time the children had. At the end of the week, children received Bibles, and many of them are still asking when this team is returning! Then came Cornerstone Church from Grand Island to run a day camp for children the last week of July! Our summer was SO BUSY with missions teams almost every day. The teams did street outreach, worked with the children, and helped with work projects around the property. Thank you to all the teams for sending people to bless our community and God's people! GOD IS ABLE!

Dear Friends,

This past April 2023, Lighthouse International Ministries purchased the former St. George's Church at 1910 Falls St., Niagara Falls, NY. We are in the process of fixing things and revamping the church to make more

room for a Pastor's Office and Kidz Club supplies. Because of this purchase, we were able to house a missions team from Tennessee who stayed with us in July and ran Camp Gatawana. Our good friends, Rob and Chris Ellis, came up from Tennessee with their team of 23 people and lived in the church while ministering to children ages 5 to 15 years old! What a wonderful time the children had. At the end of the week, children received Bibles, and many of them are still asking when this team is returning! Then came Cornerstone Church from Grand Island to run a day camp for children the last week of July! Our summer was SO BUSY with missions teams almost every day. The teams did street outreach, worked with the children, and helped with work projects around the property. Thank you to all the teams for sending people to bless our community and God's people! GOD IS ABLE!

Dear Friends,

This past April 2023, Lighthouse International Ministries purchased the former St. George's Church at 1910 Falls St., Niagara Falls, NY. We are in the process of fixing things and revamping the church to make more

room for a Pastor's Office and Kidz Club supplies. Because of this purchase, we were able to house a missions team from Tennessee who stayed with us in July and ran Camp Gatawana. Our good friends, Rob and Chris Ellis, came up from Tennessee with their team of 23 people and lived in the church while ministering to children ages 5 to 15 years old! What a wonderful time the children had. At the end of the week, children received Bibles, and many of them are still asking when this team is returning! Then came Cornerstone Church from Grand Island to run a day camp for children the last week of July! Our summer was SO BUSY with missions teams almost every day. The teams did street outreach, worked with the children, and helped with work projects around the property. Thank you to all the teams for sending people to bless our community and God's people! GOD IS ABLE!

Dear Friends,

This past April 2023, Lighthouse International Ministries purchased the former St. George's Church at 1910 Falls St., Niagara Falls, NY. We are in the process of fixing things and revamping the church to make more

room for a Pastor's Office and Kidz Club supplies. Because of this purchase, we were able to house a missions team from Tennessee who stayed with us in July and ran Camp Gatawana. Our good friends, Rob and Chris Ellis, came up from Tennessee with their team of 23 people and lived in the church while ministering to children ages 5 to 15 years old! What a wonderful time the children had. At the end of the week, children received Bibles, and many of them are still asking when this team is returning! Then came Cornerstone Church from Grand Island to run a day camp for children the last week of July! Our summer was SO BUSY with missions teams almost every day. The teams did street outreach, worked with the children, and helped with work projects around the property. Thank you to all the teams for sending people to bless our community and God's people! GOD IS ABLE!

Our good friends, Rob and Chris Ellis, came up from Tennessee with their team of 23 people and lived in the church while ministering to children ages 5 to 15 years old! What a wonderful time the children had. At the end of the week, children received Bibles, and many of them are still asking when this team is returning! Then came Cornerstone Church from Grand Island to run a day camp for children the last week of July! Our summer was SO BUSY with missions teams almost every day. The teams did street outreach, worked with the children, and helped with work projects around the property. Thank you to all the teams for sending people to bless our community and God's people! Dear Friends,

This past April 2023, Lighthouse International Ministries purchased the former St. George's Church at 1910 Falls St., Niagara Falls, NY. We are in the process of fixing things and revamping the church to make more

room for a Pastor's Office and Kidz Club supplies. Because of this purchase, we were able to house a missions team from Tennessee who stayed with us in July and ran Camp Gatawanna. Our good friends, Rob and Chris Ellis, came up from Tennessee with their team of 23 people and lived in the church while ministering to children ages 5 to 15 years old! What a wonderful time the children had. At the end of the week, children received Bibles, and many of them are still asking when this team is returning! Then came Cornerstone Church from Grand Island to run a day camp for children the last week of July! Our summer was SO BUSY with missions teams almost every day. The teams did street outreach, worked with the children, and helped with work projects around the property. Thank you to all the teams for sending people to bless our community and God's people! GOD IS ABLE!

Dear Friends,

This past April 2023, Lighthouse International Ministries purchased the former St. George's Church at 1910 Falls St., Niagara Falls, NY. We are in the process of fixing things and revamping the church to make more

room for a Pastor's Office and Kidz Club supplies. Because of this purchase, we were able to house a missions team from Tennessee who stayed with us in July and ran Camp Gatawana. Our good friends, Rob and Chris Ellis, came up from Tennessee with their team of 23 people and lived in the church while ministering to children ages 5 to 15 years old! What a wonderful time the children had. At the end of the week, children received Bibles, and many of them are still asking when this team is returning! Then came Cornerstone Church from Grand Island to run a day camp for children the last week of July! Our summer was SO BUSY with missions teams almost every day. The teams did street outreach, worked with the children, and helped with work projects around the property. Thank you to all the teams for sending people to bless our community and God's people! GOD IS ABLE!

Dear Friends,

This past April 2023, Lighthouse International Ministries purchased the former St. George's Church at 1910 Falls St., Niagara Falls, NY. We are in the process of fixing things and revamping the church to make more

room for a Pastor's Office and Kidz Club supplies. Because of this purchase, we were able to house a missions team from Tennessee who stayed with us in July and ran Camp Gatawana. Our good friends, Rob and Chris Ellis, came up from Tennessee with their team of 23 people and lived in the church while ministering to children ages 5 to 15 years old! What a wonderful time the children had. At the end of the week, children received Bibles, and many of them are still asking when this team is returning! Then came Cornerstone Church from Grand Island to run a day camp for children the last week of July! Our summer was SO BUSY with missions teams almost every day. The teams did street outreach, worked with the children, and helped with work projects around the property. Thank you to all the teams for sending people to bless our community and God's people! GOD IS ABLE!

Dear Friends,

This past April 2023, Lighthouse International Ministries purchased the former St. George's Church at 1910 Falls St., Niagara Falls, NY. We are in the process of fixing things and revamping the church to make more

room for a Pastor's Office and Kidz Club supplies. Because of this purchase, we were able to house a missions team from Tennessee who stayed with us in July and ran Camp Gatawana. Our good friends, Rob and Chris Ellis, came up from Tennessee with their team of 23 people and lived in the church while ministering to children ages 5 to 15 years old! What a wonderful time the children had. At the end of the week, children received Bibles, and many of them are still asking when this team is returning! Then came Cornerstone Church from Grand Island to run a day camp for children the last week of July! Our summer was SO BUSY with missions teams almost every day. The teams did street outreach, worked with the children, and helped with work projects around the property. Thank you to all the teams for sending people to bless our community and God's people! GOD IS ABLE!

Our good friends, Rob and Chris Ellis, came up from Tennessee with their team of 23 people and lived in the church while ministering to children ages 5 to 15 years old! What a wonderful time the children had. At the end of the week, children received Bibles, and many of them are still asking when this team is returning! Then came Cornerstone Church from Grand Island to run a day camp for children the last week of July! Our summer was SO BUSY with missions teams almost every day. The teams did street outreach, worked with the children, and helped with work projects around the property. Thank you to all the teams for sending people to bless our community and God's people! Dear Friends,

This past April 2023, Lighthouse International Ministries purchased the former St. George's Church at 1910 Falls St., Niagara Falls, NY. We are in the process of fixing things and revamping the church to make more

room for a Pastor's Office and Kidz Club supplies. Because of this purchase, we were able to house a missions team from Tennessee who stayed with us in July and ran Camp Gatawanna. Our good friends, Rob and Chris Ellis, came up from Tennessee with their team of 23 people and lived in the church while ministering to children ages 5 to 15 years old! What a wonderful time the children had. At the end of the week, children received Bibles, and many of them are still asking when this team is returning! Then came Cornerstone Church from Grand Island to run a day camp for children the last week of July! Our summer was SO BUSY with missions teams almost every day. The teams did street outreach, worked with the children, and helped with work projects around the property. Thank you to all the teams for sending people to bless our community and God's people! GOD IS ABLE!

Dear Friends,

This past April 2023, Lighthouse International Ministries purchased the former St. George's Church at 1910 Falls St., Niagara Falls, NY. We are in the process of fixing things and revamping the church to make more

room for a Pastor's Office and Kidz Club supplies. Because of this purchase, we were able to house a missions team from Tennessee who stayed with us in July and ran Camp Gatawana. Our good friends, Rob and Chris Ellis, came up from Tennessee with their team of 23 people and lived in the church while ministering to children ages 5 to 15 years old! What a wonderful time the children had. At the end of the week, children received Bibles, and many of them are still asking when this team is returning! Then came Cornerstone Church from Grand Island to run a day camp for children the last week of July! Our summer was SO BUSY with missions teams almost every day. The teams did street outreach, worked with the children, and helped with work projects around the property. Thank you to all the teams for sending people to bless our community and God's people! GOD IS ABLE!

Dear Friends,

This past April 2023, Lighthouse International Ministries purchased the former St. George's Church at 1910 Falls St., Niagara Falls, NY. We are in the process of fixing things and revamping the church to make more

room for a Pastor's Office and Kidz Club supplies. Because of this purchase, we were able to house a missions team from Tennessee who stayed with us in July and ran Camp Gatawana. Our good friends, Rob and Chris Ellis, came up from Tennessee with their team of 23 people and lived in the church while ministering to children ages 5 to 15 years old! What a wonderful time the children had. At the end of the week, children received Bibles, and many of them are still asking when this team is returning! Then came Cornerstone Church from Grand Island to run a day camp for children the last week of July! Our summer was SO BUSY with missions teams almost every day. The teams did street outreach, worked with the children, and helped with work projects around the property. Thank you to all the teams for sending people to bless our community and God's people! GOD IS ABLE!

Dear Friends,

This past April 2023, Lighthouse International Ministries purchased the former St. George's Church at 1910 Falls St., Niagara Falls, NY. We are in the process of fixing things and revamping the church to make more

room for a Pastor's Office and Kidz Club supplies. Because of this purchase, we were able to house a missions team from Tennessee who stayed with us in July and ran Camp Gatawana. Our good friends, Rob and Chris Ellis, came up from Tennessee with their team of 23 people and lived in the church while ministering to children ages 5 to 15 years old! What a wonderful time the children had. At the end of the week, children received Bibles, and many of them are still asking when this team is returning! Then came Cornerstone Church from Grand Island to run a day camp for children the last week of July! Our summer was SO BUSY with missions teams almost every day. The teams did street outreach, worked with the children, and helped with work projects around the property. Thank you to all the teams for sending people to bless our community and God's people! GOD IS ABLE!

Our good friends, Rob and Chris Ellis, came up from Tennessee with their team of 23 people and lived in the church while ministering to children ages 5 to 15 years old! What a wonderful time the children had. At the end of the week, children received Bibles, and many of them are still asking when this team is returning! Then came Cornerstone Church from Grand Island to run a day camp for children the last week of July! Our summer was SO BUSY with missions teams almost every day. The teams did street outreach, worked with the children, and helped with work projects around the property. Thank you to all the teams for sending people to bless our community and God's people! Dear Friends,

This past April 2023, Lighthouse International Ministries purchased the former St. George's Church at 1910 Falls St., Niagara Falls, NY. We are in the process of fixing things and revamping the church to make more

room for a Pastor's Office and Kidz Club supplies. Because of this purchase, we were able to house a missions team from Tennessee who stayed with us in July and ran Camp Gatawana. Our good friends, Rob and Chris Ellis, came up from Tennessee with their team of 23 people and lived in the church while ministering to children ages 5 to 15 years old! What a wonderful time the children had. At the end of the week, children received Bibles, and many of them are still asking when this team is returning! Then came Cornerstone Church from Grand Island to run a day camp for children the last week of July! Our summer was SO BUSY with missions teams almost every day. The teams did street outreach, worked with the children, and helped with work projects around the property. Thank you to all the teams for sending people to bless our community and God's people! GOD IS ABLE!

Dear Friends,

This past April 2023, Lighthouse International Ministries purchased the former St. George's Church at 1910 Falls St., Niagara Falls, NY. We are in the process of fixing things and revamping the church to make more

room for a Pastor's Office and Kidz Club supplies. Because of this purchase, we were able to house a missions team from Tennessee who stayed with us in July and ran Camp Gatawana. Our good friends, Rob and Chris Ellis, came up from Tennessee with their team of 23 people and lived in the church while ministering to children ages 5 to 15 years old! What a wonderful time the children had. At the end of the week, children received Bibles, and many of them are still asking when this team is returning! Then came Cornerstone Church from Grand Island to run a day camp for children the last week of July! Our summer was SO BUSY with missions teams almost every day. The teams did street outreach, worked with the children, and helped with work projects around the property. Thank you to all the teams for sending people to bless our community and God's people! GOD IS ABLE!

Dear Friends,

This past April 2023, Lighthouse International Ministries purchased the former St. George's Church at 1910 Falls St., Niagara Falls, NY. We are in the process of fixing things and revamping the church to make more

room for a Pastor's Office and Kidz Club supplies. Because of this purchase, we were able to house a missions team from Tennessee who stayed with us in July and ran Camp Gatawana. Our good friends, Rob and Chris Ellis, came up from Tennessee with their team of 23 people and lived in the church while ministering to children ages 5 to 15 years old! What a wonderful time the children had. At the end of the week, children received Bibles, and many of them are still asking when this team is returning! Then came Cornerstone Church from Grand Island to run a day camp for children the last week of July! Our summer was SO BUSY with missions teams almost every day. The teams did street outreach, worked with the children, and helped with work projects around the property. Thank you to all the teams for sending people to bless our community and God's people! GOD IS ABLE!

Dear Friends,

This past April 2023, Lighthouse International Ministries purchased the former St. George's Church at 1910 Falls St., Niagara Falls, NY. We are in the process of fixing things and revamping the church to make more

room for a Pastor's Office and Kidz Club supplies. Because of this purchase, we were able to house a missions team from Tennessee who stayed with us in July and ran Camp Gatawana. Our good friends, Rob and Chris Ellis, came up from Tennessee with their team of 23 people and lived in the church while ministering to children ages 5 to 15 years old! What a wonderful time the children had. At the end of the week, children received Bibles, and many of them are still asking when this team is returning! Then came Cornerstone Church from Grand Island to run a day camp for children the last week of July! Our summer was SO BUSY with missions teams almost every day. The teams did street outreach, worked with the children, and helped with work projects around the property. Thank you to all the teams for sending people to bless our community and God's people! GOD IS ABLE!

Our good friends, Rob and Chris Ellis, came up from Tennessee with their team of 23 people and lived in the church while ministering to children ages 5 to 15 years old! What a wonderful time the children had. At the end of the week, children received Bibles, and many of them are still asking when this team is returning! Then came Cornerstone Church from Grand Island to run a day camp for children the last week of July! Our summer was SO BUSY with missions teams almost every day. The teams did street outreach, worked with the children, and helped with work projects around the property. Thank you to all the teams for sending people to bless our community and God's people! Dear Friends,

This past April 2023, Lighthouse International Ministries purchased the former St. George's Church at 1910 Falls St., Niagara Falls, NY. We are in the process of fixing things and revamping the church to make more

room for a Pastor's Office and Kidz Club supplies. Because of this purchase, we were able to house a missions team from Tennessee who stayed with us in July and ran Camp Gatawana. Our good friends, Rob and Chris Ellis, came up from Tennessee with their team of 23 people and lived in the church while ministering to children ages 5 to 15 years old! What a wonderful time the children had. At the end of the week, children received Bibles, and many of them are still asking when this team is returning! Then came Cornerstone Church from Grand Island to run a day camp for children the last week of July! Our summer was SO BUSY with missions teams almost every day. The teams did street outreach, worked with the children, and helped with work projects around the property. Thank you to all the teams for sending people to bless our community and God's people! GOD IS ABLE!

Dear Friends,

This past April 2023, Lighthouse International Ministries purchased the former St. George's Church at 1910 Falls St., Niagara Falls, NY. We are in the process of fixing things and revamping the church to make more

room for a Pastor's Office and Kidz Club supplies. Because of this purchase, we were able to house a missions team from Tennessee who stayed with us in July and ran Camp Gatawana. Our good friends, Rob and Chris Ellis, came up from Tennessee with their team of 23 people and lived in the church while ministering to children ages 5 to 15 years old! What a wonderful time the children had. At the end of the week, children received Bibles, and many of them are still asking when this team is returning! Then came Cornerstone Church from Grand Island to run a day camp for children the last week of July! Our summer was SO BUSY with missions teams almost every day. The teams did street outreach, worked with the children, and helped with work projects around the property. Thank you to all the teams for sending people to bless our community and God's people! GOD IS ABLE!
